

## 2013 Green Palmetto Awards

### Green Palmetto Award - Chapter

Based upon the success of last year's conference, we wish to formally nominate FNPS's Suncoast Chapter.

- 1) The chapter pro-actively sought out and obtained a wonderful low-cost facility that enabled them to earn a great deal of money for FNPS
- 2) Big Suncoast worked very well with little tiny Hernando Chapter, and did so in a very challenging transition year where one staff member exited and a brand new one came on board
- 3) For the first time that we know of, there were NO cancelled field trips due to insufficient sign-ups- this was due to Shirley Denton field trip chair's excellent planning and design of the right number and type of field trips - a model!
- 4) \$24,000.00 was raised in total for the entire conference.
- 5) It is also of note that they smoothly navigated the transition between FNPS executive directors.
